Dear Local 5429 Members,

As some of you may know, Cutco Cutlery celebrated its 60<sup>th</sup> anniversary this past year. To commemorate this event, we have purchased \$25.00 gift cards from Top's Markets. As the foundation of manufacturing for Cutco, we as organized labor should celebrate being part of this exceptional success in American manufacturing. Hopefully this will be something everyone can use, and also serve as an optimistic reminder of the steadiness we do have in our jobs.

From the Local 5429 Executive Committee we would like to thank everyone for their hard work and commitment, with the dedicated experience within our Local that stability should be here for many years to come.

Sincerely,

Local 5429's

Executive Committee
